Program Length: 56:46

Release/Feed Date: APT
November 1, 2008

Description: A personal story of how a multimillion dollar project displaced the Mandan/Hidatsa/Arikara Nation in North Dakota. Producer J. Carlos Peinado returns to the Fort Berthold Reservation and discovers stories of the past as he assesses tribal identity. Through interviews and archival footage, a uniquely Native American perspective emerges, giving light to a portrait of resilience and survival in the face of catastrophic change.
